

Subject: Request to increase our revolving credit facility

Dear Relationship Manager,

We write to request an increase in our revolving credit facility from QAR 5,000,000 to QAR 8,000,000, to support the supply contracts we expect to sign in the first half of next year.

Our audited results for FY 2025 show revenue of QAR 70.6 million, up 21.5% on the previous year, and net income of QAR 9.7 million. Cash at year end stood at QAR 6.4 million, and operations generated QAR 10.1 million of cash during the year. Our current ratio is 1.94 and debt to equity is 0.75.

We would welcome a meeting at your convenience to discuss the terms, and we will be pleased to provide any further information you may need.

Yours sincerely,

Khalid Al-Mansoori
Chief Executive Officer
